STEVE SAMUEL
PO BOX 858
VLY FORGE, PA 19482

By obtaining a United States Environmental Protection Agency (EPA) Identification (ID) Number, you have notified EPA of your planned hazardous waste activities that are regulated under the Resource Conservation and Recovery Act (RCRA) Subtitle C Regulations. The assigned EPA ID Number was based on the information that was provided on the EPA Form 8700-12, Notification of RCRA Subtitle C Activity, which was received on **09/20/2010**. Your EPA ID number (also referred to as RCRA ID Number) below is specific to the location indicated on the RCRA Site Location, and cannot be used at, or transferred to another location.

EPA (RCRA) ID #: CAR000214189
RCRA Site Name: FORMER PETROLANE LOMITA GAS PLANT
RCRA Site Location: 2851 ORANGE AVE
LONG BEACH, CA 90806

The EPA ID Number is to be used on transport manifests and any other hazardous waste management documentation required under the RCRA Subtitle C Regulations.

EPA has listed your hazardous waste activities status as:

Large Quantity Generator

Your EPA ID Number does not expire. However, if any of the information required in the form changes, (e.g. RCRA Site Name, hazardous waste activity status, contact information, etc.), you may be required to notify EPA by resubmitting a Form 8700-12 (see the instructions accompanying Form 8700-12 at <http://www.epa.gov/osw/inforesources/data/form8700/8700-12.pdf>). If you plan to cease or have ceased operation at the RCRA Site Location, you must notify EPA as well. For this, you could send a letter to EPA requesting to inactivate the EPA ID Number. A letter will be sent to the contact person indicating the change(s) based on the submitted documentation.

Please keep in mind that if you have the hazardous waste activity status of a "Large Quantity Generator", there is a required Biennial Reporting that must be filed with your appropriate state or region. For more information, please visit <http://www.epa.gov/epawaste/inforesources/data/form8700/contact.pdf> to find the contacts for States and EPA Regions. If you have any RCRA Notification (EPA ID Number) questions, please call 415-495-8895. This RCRA Notification service telephone line is operated by EPA Region 9's Contractor, Tetra Tech EM, Inc.
